

Welcome to md5this website

Welcome to md5This.com

Well, this project is running for some years now and i am proud to say that md5this cracked a lot hashes this time. The last months you may have noticed some updates on the site.

At this point i say a big thanks to the people that really helped me out on this project.

Teardrop,nowayout,waraxe and hip.

Now some news that you may find interested:

<http://www.infosec.org.uk> site is up and running. The new security portal for black/gray/white hats.

<http://www.waraxe.us> dont forget to visit waraxe's website if you are interested in getting some advance help on php applications and latest exploits on most popular cms.

<http://www.astalavista.com> the famous hacking and security portal is updated !! check it out

Projects :

- 1) distributed PS3 md5 cracker.
- 2) AI md5 password cracker / wordlist generator
- 3) Optimisation of md5this.com database to run faster with a major update on data and value.

WE NEED HELP ! :)

If anyone is interested on those projects please send us an email at [md5this\[at\]gmail.com](mailto:md5this[at]gmail.com)

As you have noticed we moved to a new server. Check out the speed of the cracker ! Now you can crack your md5s in less than a second !

happy cracking,

md5this Team
